

## PVA Flakes Size 1

Decorative Vinyl Colour Chips / Flakes

Flakes, also known as colour chip or fleck, are composed of water-based resin materials, inorganic minerals, additives and various pigments.

They are integrally pigmented, brilliantly coloured, random in shape, sized within a standardised range and custom blended with infinite options to achieve optimal appearance and texture qualities with a resin-based flooring or wall-coating system.

### Standard Colours

See [www.boud.com](http://www.boud.com) for the latest range of standard colours and blends

### Commodity Code

3206 497090
